

Mailbox Do's & Don'ts

Deer Path Neighborhood 2023

APPROVED MAILBOX POSTS

NOT APPROVED MAILBOX POSTS

Mailbox Height

Position your mailbox 41" to 45" from the road surface to the bottom of the mailbox (not the ground beneath, since our mailboxes are up on a curb).

This measurement is per USPS guidelines.

12361

NUMBERS/LETTERS:
STYLE: CAXTON FONT ~2.75" TALL
(No White blocks behind numbers!)

15104

For uniformity, please purchase numbers/letters from either Mailbox Solutions or Otto's Streetscape Solutions! They are the mailbox providers for Deer Path and will give you the exact color, sizing & spacing and they're much easier to install than store-bought decals!

BEST SOURCE FOR ALL MAILBOXES/POSTS

The simplest solution to get your mailbox up to specs is to contact either Mailbox Solutions in Fishers or Otto's Streetscape Solutions! They are the official mailbox providers of the Deer Path Community. You provide your address and they will match the appropriate specs easily and reasonably priced. Both companies have the option for pickup, delivery, or installed!

Black Mailbox (No street name)

Tan Mailbox (w/Street name)

NEWLY APPROVED DIY MAILBOX POST

Lowes

REMOVE ALGAE/MILDEW

Unfortunately, the tan mailboxes have a special powder coating done right here in Indy, therefore, no retail stores have the tan mailbox. You must purchase these from Otto's Streetscape or Mailbox Solutions.

Use a pressure washer or a special Algae/Mold/Mildew cleaner like these:

DIY APPROVED PAINT POST COLORS

Any brand paint can be matched with this paint color!! (You Do NOT need to use Sherwin Williams paint)

Sherwin Williams Paint Color:
Tavern Taupe:
SW 7508
(Flat Exterior Paint)

While it lasts, the HOA will provide paint & mildew cleaner for you to use! Scan the QR code for more info!
